INT-SCR-BL
MULTI-FUNCTION KEYPAD WITH PROXIMITY CARD READER

INTEGRA expansion modules are the very important part of SATEL products portfolio. They can be used to expand the functionality of the panels, and to adjust the system to individual needs. Apart from zones and output expansion, they enable additional features such as e.g. access control.

FEATURES

- partition keypad and entry keypad modes
- proximity card reader
- LEDs for partition state indication
- buzzer for acoustic signaling
- keypad backlight
- optical tamper for opening and removal from mounting surface
- relay for electromagnetic lock/electric strike
- door control input
- doorbell button
- outdoor operation

TECHNICAL SPECIFICATION

Nominal supply voltage	12 V DC ±15%
Maximum current consumption	110 mA
BELL output load capacity	30 mA
Reader operating frequency	125 kHz
Maximum voltage switched over by relay	24 V
Maximum current switched over by relay	2 A
Operating temperature range	-20°C...+55°C
Dimensions	47 x 158 x 24 mm
Weight	297 g
